Press Release

Information About Italian National Day

Thursday April 28th. This will be the **National Day of Italy** at the World Expo. The day, which will be dedicated exclusively to our country, will feature events staged all over the Expo, and the Italian Pavilion will be visited by **Foreign Minister Gianfranco Fini**.

The result will be the representation of a Nation in the framework of a World Expo with all that this evokes. The focus will be on a single theme, the ultimate message of which is the fact that the quality of the Italy's past is there to enhance the quality of the future of all other countries.

Thursday April 28th from 11 am at the Expo Dome
