

MEDIA RELEASE N 12

27 April, 2005

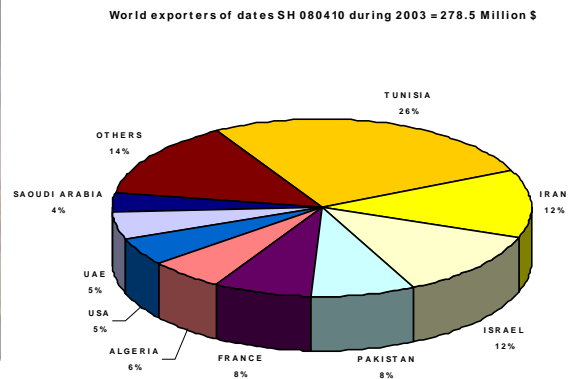

Dates: Tunisia is the first exporter in the world

World exports of dates have reached in 2003, 278.5 Million \$ and Tunisia was the first exporter of this product (26% of the total).

France is our first client for dates with 32% of total export values. The quality of Tunisian dates "Deglet Ennour" has an international reputation.

First producers of this category of dates are Tunisia, followed by Algeria and the region of California due to specific climatic conditions allowing their optimal growth.
