## This Week at the Canada Pavilion

**This week:** Learn about Canada's energy-efficient and environmentally responsible housing solutions during NRCan Days; don't miss your chance to find out about Canadian forest products as an environmentally friendly and renewable choice!

*For more information on these activities or to request an interview with any of the participants, please contact the Communications team at the Canada Pavilion at 0561 64 5788. Media can also contact us by e-mail at [info@expo2005canada.gc.ca](mailto:info@expo2005canada.gc.ca).*

### Visiting this Week in the Manulife VIP Lounge of the Canada Pavilion

#### June 14-15-16: **Natural Resources Canada (NRCan) Days**

This event is organized by Natural Resources Canada (NRCan), a government department of Canada specializing in sustainable development and the use of natural resources. The focus of the event will be the Super-E® Program which will showcase Canada's capabilities to provide energy-efficient and environmentally responsible solutions with an emphasis on housing institutions for senior citizens. The goal of this conference will be to encourage the collaboration of Japanese builders and developers with qualified Canadian Super-E® exporters in the construction of Canadian Super-E® projects. The event will feature a series of presentations and structured discussions. For more information visit: [www.super-e.com](http://www.super-e.com)

#### June 17: **Forestry Seminar**

The Canadian Forest Service, a sector of NRCan that aims to promote the sustainable development and competitiveness of the Canadian forest sector, will host a variety of stakeholders in the Japanese forestry industry for this full-day seminar. The objective of the event is to discuss forest management, Canada's commitment to forest environment sustainability, and Canadian forest products as an environmentally friendly and renewable choice.
