

## Press release of Romania Pavilion

July 28 - Their Imperial Highnesses Prince and Princess Hitachi visited on July 27 Romania Pavilion at World EXPO 2005 Aichi, Japan.

Their Imperial Highnesses received the welcoming address from the Commissioner General of Romania at World EXPO 2005, Ferdinand Nagy, secretary of state in the Romanian Ministry of Foreign Affairs. He also offered to the distinguished guests a tour of the Romania Pavilion, with short presentation of the main elements of the architectural concept, as well as with details about Romanian culture and history and the activity of Romania Pavilion in the first four months of the World Exposition. A special classical and folkloric performance was offered to Their Imperial Highnesses by young artists of the „4 for Music • string quartet”, „Romania Radio Brass Quintet” • as well as by the Dor transilvan • and Csuros • folkloric bands.

Romania's participation at World Exposition 2005 Aichi, Japan is coordinated by the Romanian Ministry of Foreign Affairs.

Romania Pavilion at the World Exposition has been visited until now by more than 1 million visitors. The visitors target established by the Romanian organisers is about 1.5-2 millions visitors.
