PRESS RELEASE

MUSIC FROM THE ANDES SISAY Concert (17th August) on Global Common 2 stage !!

As part of the cultural activities and attractions that the Republic of Ecuador wants to share with visitors and staff of the Expo, we are delighted to invite you to share with us a small sample of Ecuador's mega-diversity.

Music is part of this mega-diversity; its rhythm, sound, and folklore vary from one region to another. Nevertheless, the most famous kind is the Andean Music which is based on wind instruments like Kena, Rondador and several other bamboo flutes, accompanied by guitar, charango and several percussion instruments. That is all played by a talented and renowned Ecuadorian group: **SISAY**

The concert will take place the 17th August on the stage of the Global Common 2 **from 13h30 to 14h00**.

Come to enjoy the rhythm of the mystic sound from the Andes and be part of the joyfulness and warm of Ecuadorians...

**We will be looking forward to your visit at the
Andean Amazonian Pavilion (Global Common 2)**
