

La Fura dels Baus show: “The Metamorphosis”

La Fura dels Baus will be presenting their next show, “*The Metamorphosis*”, in Nagoya (14th and 15th of September) and Osaka (20th of September).

La Fura dels Baus is an experimental Spanish theatre company permanent in the process of transformation that, since it was founded in 1979, has approached new challenges in the field of performing arts. In 1992, La Fura produced the opening ceremony for the Barcelona Olympic Games, which was broadcasted and watched live by more than 500 million viewers.

Franz Kafka's *The Metamorphosis* is La Fura dels Baus perfect point of departure for exploring the anguish of 21st century urban man. Metamorphosis, transformation and change are the elements that drive this drama, the metamorphosis of contemporary man in a world without escapes from the collective.
