The Japan Association for the 2005 World Exposition has appointed Shinya IZUMI, Kiyonori KIKUTAKE, and Shosaburo KIMURA as Executive Producers along with Shizuo HARADA, Shouhei FUKUI, and Masahumi MAKIMURA as Chief Producers under the Producer System.

The Executive Producers will offer guidance on EXPO 2005 AICHI from a broad perspective based on their particular fields of expertise.

Similarly, the Chief Producers will work together with the producers in the individual fields and deal with all the practical operations of the exposition, such as project management and site planning.

The EXPO 2005 Association hopes to finalize concrete details of EXPO 2005 AICHI at the earliest possible time and also vigorously proceed with exposition planning and preparations with the cooperation of the newly appointed producers.
