

Care Regarding Media Coverage / Photography in Hitachi Group Pavilion

Pre-show

Due to questions of copyright, at the pre-show zone restrictions are imposed on photography of the contents displayed on the “Nature Viewer” – 「Vulnerable Zone」: “Black Bear” and “Lion”, 「Endangered Zone」: “Red Panda” and “Snow Leopard”. (Refer to the next page for detail.)

Main-show

For the passenger’s safety, You may not take pictures on the ride at the main-show. Tripods and tall equipment (lighting, etc.) should be deposited at the entrance to the boarding area.

*The nature of the attraction means that if you don’t board the ride in a prompt manner then passengers on the preceding ride will not be able to fully enjoy their experience. We ask for your co-operation in boarding the ride promptly.

*In order to ensure the safe operation of the ride, the use of flash is prohibited at the boarding and arrival areas in the main show.

Due to questions of copyright, at the pre-show zone, restrictions are imposed on photography of the contents displayed on four points shown below.
