"Kunizukuri for Everyone" Exhibition Zo

劇団ふるさときゃらばん

構成・演出/石場直接 演出助手/天城美枝 音楽/寺木建雄 振付/小澤薫世・劇団ダンススタッフ・粟村

Whenever somebody walks, a path is laid. These paths can become roads from here to there.

Constantly striving and moving onward.

If we reach the sea, we create a port,

Then the sea becomes our road.

New dreams keep on being created.

alike push on towards new adventures.

What is waiting, heaven or hell?

We push on with all we have,

Both adults and children

New worlds are built

As we go farther.

If we come upon a mountain, we dig a tunnel.

It is the power of the unfolding human drama.

and other who bring us love.

Because we can

And when these roads cross, we will meet new people.

roads can be built into the hearts of mankind as well.

If we come upon a river or gorge, we build a bridge.

What is this power that keeps us moving ever onward?

Mankind follows roads towards its dreams and aspirations.
