For the Application for the Use Authorization of the 2005 World Exposition, Aichi, Japan, Logos in Promotional Products we promise to abide by the following conditions.

Moreover, if the following conditions have been breached, we agree to follow instructions made by the Japan Association for the 2005 World Exposition and EXPO 2005 Aichi Master Licensee Office for product recall, and compensation for damages etc..

We agree:

1. to observe all rules and regulations set down by Japan Association for the 2005 World Exposition.
2. that there is no discrepancy in details presented in the Application for Use Authorization of Logos in Promotional Products and other documents submitted, and that all these details are factual.
3. that we will not raise any objections to the results of the Use Authorization for Promotional Products and Sample Authorization Reviews.
4. that we will not contest the details of the Use Authorization for Promotional Products.
5. to observe all conditions set down in the Use Authorization for Promotional Products.
6. that we will not demand compensation or ask the Japan Association for the 2005 World Exposition and the EXPO 2005 Aichi Master Licensee Office to buy up products when a bad inventory occurs.
7. that we will promptly observe submission requests for documents and each review concerning promotional products produced by the Japan Association for the 2005 World Exposition and the EXPO 2005 Aichi Master Licensee Office.
8. that we will not improperly make additional or copy certification labels issued by EXPO 2005 Aichi Master Licensee Office.
9. that we will follow instructions given by the Japan Association for the 2005 World Exposition and the EXPO 2005 Aichi Master Licensee Office for other conditions not set in the documents.
